

## DuPont™ Joint Adhesives & Corian® Joint Adhesives Surfaces Preparations

At DuPont, Product Stewardship is an important aspect of our supply chain relationships. We maintain an unwavering commitment to safety for our employees, our contractors, and the communities in which we operate and we share that concern for all who handle our products. As both a manufacturer and importer/exporter of substances<sup>1</sup> covered under REACH, DuPont has established a team to address all of the requirements as they apply to our suppliers, our customers, and our own operations.

DuPont continues to ensure that all products sold to our EU and EEA customers are in compliance with REACH regulatory requirements.

### REACH Registration

REACH requires registration for individual substances (on their own or in mixtures<sup>2</sup>) greater than 1 metric ton per year produced or imported.

### Substances of Very High Concern (SVHC) on the Candidate List

The product we sell to you to our current knowledge does not contain substances, above the legal threshold, that are on the Candidate List of Substances of Very High Concern (SVHC) as published on the ECHA website on **16-07-2019**.

### Authorization

The above articles, to our current knowledge, do not contain any substance listed on Annex XIV, as it was published by European Commission on latest amendment of the Annex XIV of REACH Regulation.

### Restriction

Based on current information, all substances contained in the above articles are in compliance with the conditions of restrictions of REACH Annex XVII. DuPont will communicate in due course, changes due to future amendments of Annex XVII that may impact the manufacture, placing on the market or use of the substances contained in those articles.

To understand fully the obligations that you will have under REACH, we recommend that you consult the REACH web site at <http://echa.europa.eu>

Sincerely,

*Pablo Blanco*
